CITY 
INTERNATIONAL SCHOOL
City's First International School

CIS is a new school concept of education based on the premise of 'Compete with Yourself'. Education's role is to bring out human nobility and maximise every child's potential in a careful setting of an environment that addresses all aspects of development of a child: body, mind, heart and spirit. Nurture programme at CIS has been developed by Dr Sunita Gandhi who has travelled to and studied education systems in 34 countries. She has established schools in the Czech Republic, Iceland and India and run a two-year pilot in the UK. More than 200 people have been involved in its development. Nurture methods and materials are being followed in over 900 schools nationally.

CIS Advisor is Dr Mrs Bharti Gandhi, Founder-Director, City Montessori School, Lucknow.
